### Advertising Strategies

The important thing that unlocks the sales potential of your e book is to

An efficient method for figuring out a price is to ship out a survey to your present customers. If these prospects have already purchased an e-

book from you, ask for his or her opinion when it comes to price. Do this by creating a sales page for the brand new e-book, however do not embody a worth on that page. As an alternative, add numerous links to survey questions that ask pointed questions to help you in assigning a value to your ebook.

One other technique is to test out prices by making a variety of duplicate gross sales pages with different costs on every page. Be certain your sales copy is exactly the same on each page, and contains your promoting-handle sentence. Then figure out for each web page the conversion ratio between visitors to your website and gross sales of your book. This will inform you what your optimum value is.

Finally, when you've written a ebook that solves a drawback or presents a new technique, your book will bring in both site visitors and profits. So
