If you want to see giant profits over customer draw, purpose for an audience that's looking for straightforward options to their issues at a low price. If your guide is aimed toward solving one specific downside somewhat than basic advice, then you can charge more. Begin at the highest price the market will bear to bring in the largest profits, and plan to low cost the book a variety of occasions all through the year.

Ensure your sales copy is precisely the same on each web page, and includes your promoting-deal with sentence. Then determine for each page the conversion ratio between visitors to your site and sales of your book. This may let you know what your optimum price is.

In the end, if you happen to've written a e-book that solves a problem or presents a new approach, your e book will bring in both traffic and profits.
