how long you plan to supply your e-book at this high worth, and when that point is up, change your pricing strategy.

If you want to see large earnings over customer draw, purpose for an audience that's looking for simple options to their problems at a low price. If your book is aimed toward fixing one specific drawback reasonably than basic recommendation, then you can charge more. Start at the highest price the market will bear to usher in the largest profits, and plan to discount the book a number of occasions all through the year.

book from you, ask for his or her opinion when it comes to price. Do that by making a sales web page for the new ebook, but don't embrace a worth on that page. As an alternative, add a number of links to survey questions that ask pointed questions to aid you in assigning a price to your ebook.
