by making a sales web page for the new guide, but do not embrace a worth on that page. Instead, add various links to survey questions that ask pointed questions to help you in assigning a worth to your ebook.

One other strategy is to test out prices by creating a variety of duplicate sales pages with completely different prices on every page. Ensure your sales copy is strictly the similar on every web page, and consists of your promoting-handle sentence. Then figure out for every page the conversion ratio between visitors to your site and sales of your book. This will inform you what your optimum worth is.

Finally, in case you've written a e book that solves a problem or presents a brand new approach, your e book will usher in both visitors and profits.
